

Evenley Cricket Club Parish Council update

22/04/2024

Our club

Our structure

- We have been playing in the village since the early 1900's where our ground has changed from rectory farm to the Green.
- Our committee is made up of 8 members & Officers (Chair, Vice Chair, Treasurer, Secretary, Junior section Lead, Social Officer, Safeguarding office, Ground officer and Player's representative).
- We have two teams that play on a Saturday in the premiersip and division 2 of the South Northants cricket league and a midweek team which plays in the Buckingham midweek league
- Running any club is never cheap and relies on a group of dedicated volunteers to give their time and energy to the club, year in, year out. Looking after the wicket is the primary investment each year with essential repairs and maintenance of the machinery and equipment a necessary expenditure.

Our mission

- Our mission as a club is to create a positive inclusive environment that allows the participation in cricket at all age groups from Juniors to Adults
- We aim to maintain our reputation as having one of the best wickets and pitches in the South Northamptonshire Cricket league
- We aim to continue to provide the facilities and coaches for juniors in the village to be able to participate in cricket
- We aim to continue having two Saturday sides who play at a good standard of village cricket

Our sponsors and supporters

- The club is lucky to have strong support from the local community. There are currently just over fifty 'vice-presidents' who pay an annual fee to be recognized as supporters and friends of the club.
- The V.P's are invited to attend various fund raising activities that take place in addition to a dedicated V.P luncheon held on a Saturday mid-season.
- The club is also supported by local companies through shirt sponsorship with their company logo's advertised on the players shirts. We are currently supported by Barn Owl Farm Shop, Red Ant Consulting, The Red Lion and and J.R Walker Accountancy.
- The weekly match ball is also sponsored by VP's and residents of the village.
