

# Internal Audit Report

(to be read in conjunction with the Annual Governance and Accountability Return)

Name of council:	Evenley Parish Council		
Name of Internal Auditor:	John Marshall	Date of report:	20.04.2023
Year ending:	31 March 2023	Date audit carried out:	20.04.2023

*Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. It is important to note that managing the council's internal controls is a day-to-day function of the council through its staff and councillors and it would be incorrect to view internal audit as the detailed inspection of all records and transactions of the council in order to detect error or fraud. This report is based on the evidence made available to and seen by me. **The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.***

## To the Chairman of the Council:

Following discussion with Cathy Knott, Clerk & RFO by mutual agreement I carried out the audit remotely, by means of e-mail and a virtual meeting online platform. I would thank Cathy for her co-operation and assistance in delivering the audit; receiving the year-end data in good time ahead of the audit, together with the quick response to my queries has been very helpful to me.

I firstly examined the publicly available information displayed on the council's website including the council's policies, procedures, agendas, minutes, financial and other records. I sought evidence that the previous year's Internal and External Audit reports had been properly reported to the Council.

I then examined the council's arrangements for the management and control of its business in the areas of bookkeeping, due process (ie compliance with the 'proper practices' as set out in the Practitioners' Guide\*), risk management, budget setting and monitoring, payroll, asset register, bank reconciliations, internal control and year-end procedures and compliance with the display of information including the exercise of public rights for the prior year. I obtained sufficient information to reach a conclusion regarding the enquiries I am required to make, set out in the Annual Internal Audit Report (AIAR) that forms part of the council's Annual Governance and Accountability Return (AGAR).

I concluded that the council continues to deliver good standards of governance and compliance and I am pleased to be able to report that having tested all the aspects of the council's internal controls I am required to consider, based on the information made available to me I am satisfied that in all significant respects, the internal control objectives were achieved throughout the financial year to a standard adequate to meet the council's needs. Accordingly, I have completed and signed off the Annual Internal Audit Report as required.
